Support and become a founding member of

**The Harvard Society for Student Creativity and Innovation**

An incipient organization for the advancement of innovation by Harvard College students

Why join?
- understand the process that enables human progress
- understand the mixture of technique, science, law, commerce, and common sense involved in any good patent
- make yourself capable of estimating the value of an invention and a patent
- prepare yourself for illuminating ideas awareness

Creativity is a type of learning process where the teacher and pupil are located in the same individual.

*Arthur Koestler (1905 – 1983)*
