YOU WANT TO DO RESEARCH IN YOSEMITE NATIONAL PARK AND GET PAID FOR IT?

Research Experiences for Undergraduates (REU)

Yosemite Research Training in Environmental Science

June 14 – August 15, 2010

APPLICATION DEADLINE: March 15, 2010

The Yosemite Research Training in Environmental Science offers undergraduates a unique opportunity to actively experience field research in Environmental Science in Yosemite National Park.

Student individual research projects span a broad range of areas in Environmental Science (e.g., Ecology, Conservation, Biodiversity, Geosciences, and Hydrology) and include an intensive field component taking place in Yosemite National Park.

Student stipend: $4,500 (9 weeks); housing covered by the program

Minority students are strongly encouraged to apply
