End-of-term Open House
Making Math Material

Need a break during finals? Play with the hands-on, interactive exhibits created by your classmates in Math 168: Making Math Material. Come by any time to chat with the creators and share in the wonder and beauty that have inspired human curiosity for two millennia.

Refreshments will be served.

Science Center 507
Thursday, Dec 13  9:30-11:30
